www.TSVES.org
Greetings Industry Partners,

On behalf of the Texas Society for Vascular and Endovascular Surgery (TSVES), we are pleased to invite you to participate in the 2023 Annual Meeting. The meeting this year will be held on November 3 and 4 at the Post Oak Hotel in Houston, TX. We are looking forward to hosting around 125 vascular and endovascular surgeons and trainees from Texas, Oklahoma, and surrounding areas.

The Industry Prospectus will give you all the necessary information to enable you to participate in the Annual Meeting. As the year progresses, please be sure to visit our website at https://tsves.org/ for regular updates. We encourage companies who would prefer to support the mission of the Society at a more significant level to look at the Support Opportunities and the Add-On’s offered on Page 4 of this Prospectus. We are available to discuss a customized approach for your company at any time.

Realizing that the care of vascular patients is a team sport we will continue to expand the Society’s membership to all of those taking care of vascular patients. This includes not only vascular surgeons but all of the members of the team such as trainees, students, nurses, and other allied health professionals. Non-members and other medical professionals are encouraged to attend as well.

We are looking forward to continuing our expansion on topics such as Career Development and Diversity in the field of Vascular Surgery. This year’s Rutherford lecturer will be Air Force veteran and vascular surgeon, Dr. Joseph Mills, Sr. His presentations and contributions are sure to be enlightening and engaging. The Clifford Buckley Lecturer will be vascular surgeon, Dr. Dawn Coleman, of Duke University School of Medicine.

The goals for this Society in 2023 are to form new committees in an effort to increase membership, increase the recognition of the society throughout the regional vascular community, to strengthen and expand our relationships and support with industry, and to have our meeting abstracts published in an internationally recognized journal. I am looking forward to a terrific year for the Society.

See you in Houston!

Sincerely,

Pedro G. R. Teixeira, MD, FACS, FSVS
President, Texas Society for Vascular and Endovascular Surgery
