Greetings Industry Partners:

On behalf of the Texas Society for Vascular and Endovascular Surgery (TSVES), we are pleased to invite you to participate in the 2019 Annual Meeting. The meeting this year will be held November 8 and 9 at the Omni Barton Creek in Austin. We are looking forward to hosting between 100 and 125 vascular and endovascular surgeons and trainees from Texas and surrounding areas.

The Industry Prospectus will give you all the necessary information to enable you to participate in the Annual Meeting. As the year progresses, please be sure to visit our website at www.tsves.org for regular updates. We encourage companies who would prefer to support the Mission of the Society at a more significant level to look at the Support Opportunities section of the Prospectus. We are available to discuss a customized approach for your company at any time.

Realizing that the care of vascular patients is a team sport we will continue to expand the Society's membership to all of those taken care of vascular patients. This includes not only vascular surgeons but all of the members of the team such as trainees, students, nurses and other allied health professionals. Non-members and other medical professionals are encouraged to attend as well.

The goals for this Society in 2019 are to increase membership and to increase the recognition of the society throughout the state wide vascular community, to strengthen and expand our relationships and support with industry and to have our meeting abstracts published in an internationally recognized journal. I am looking forward to a terrific year for the Society.

See you in Austin!

Sincerely,

William P. Schutze, MD, FACS
President, Texas Society for Vascular and Endovascular Surgery
